I have always been very respectful , and patient. I think there might be a misunderstanding. My statement shows 12,400 dollars owed to me. I know of no balance owing to you. as you can see from the attached statments some of these jobs are from last year , and most over 3 months ago. . could you please investigate. I view you and your agency as professionals as I view myself. to be clear, is the accounting dept telling you and I that none of the clients on the atatched list has paid yet. ? thank you for your attention and kindness. can you clarify for me , who owes what to whom. ? I am surprised that you suggest the word blackmail when I am asking for money that i have worked for. Do we know when the clients will pay. ?
