I met with Pete today at islip,

He is certainly excited about potentially working for us.

Pete informs he wants to speak with his kids about taking our position and leaving Meridean after being there 20 years.

He's content with the salary offered.

His biggest concern, he wants to have a small office at Teterboro for our records, parts (spare G550 seats, cushions etc) and his tools, so he has a base of operation.

Meridian has offered office space at hanger 107 by Jet Aviation, which they acquired within the past year.

Rumor has it, that Jet Aviation will take over the lease to hanger 107 in approx 2 years.,

Meridian is offering a Month to month payment for office space, which could be considered storage for us.

Pete said he would contact Rich

Thx

Larry
