Hi there Mr. Kahn,

Pardon me , that it took us awhile to respond your message, it is not our intention to hold you up , We are just really busy here , summer season in Cape is a bit crazy .

As per as our conversation with Mr.Epstein during interview that we are available after summer season, We are submitting our resignation letter on August the 1st , and expected to start on October 1st , due to Rosh Hashanah and Yum Kippur , they solely rely on us. But if ever there is changes that we could start earlier , will soon notify you,

However , of course it depends on Mr.Epstein , We just hope and pray that He would give us enough time that we needed , the timing is really tight for us, We hope this opportunity would not slip away. Thank you very much.
