As I mentioned, I don't have a permanent place and move around. For July and August I will be paying 0\$ for rent, after that I have to find more suitable place. I will try to move back to [REDACTED]. I paid 700\$ per month [REDACTED]. My rent based on how much I can afford to spend per month before I ran out of my savings. So, I can't afford even a room. I'm willing to tolerate that until i get a job.

It will take me several months to find a job as [REDACTED] because I don't have [REDACTED] degree and extensive experience. I'm hoping that eventually I will get one and be able to pay for a room(which usually anywhere from 1400\$-2200\$)

I can talk anytime today from 12pm - 5pm PDT and tomorrow anytime from 9am - 5pm PDT. I'll be at the coffee shop studying, so there might be some background noise.

Oh, nice to hear from you. I'm doing great! I have you to thank for it. You and [REDACTED] have done an exceptional thing for me: created an opportunity for me to grow and have control over my life. I no longer have unbearable amount of stress and fear.

The attorney that [REDACTED] has recommended did a professional job. After couple years of working with her, my case was approved and last year I got my green card. The dozen's of attorneys that I've visited said my case have no chance. Alas, [REDACTED]

Because of your financial support and sponsoring my education at [REDACTED], I acquired practical skills: After I got my work permit, I was able to secure a job as [REDACTED]. However, I left [REDACTED] few month ago to look for a better cultural fit. I live in [REDACTED]. I'm currently preparing for [REDACTED] interviews and will be applying to [REDACTED] companies in a [REDACTED] soon.

There are other two exciting things that I'm working on:

1. I'm a member [REDACTED]
[REDACTED]
2. I recently settled on a business idea. I currently in process of validating it. I think I can work during the day as a [REDACTED] and take care of the "business" after work. It's a stepping stone in my entrepreneurial carrier. It doesn't require startup capital or skilled team members. But it requires some leg work. The idea is not new and already exists on a market but I will figure out how to be different, better and take over niche that is still for grabs. The idea is simple: [REDACTED]
[REDACTED]

Unfortunately, I stopped traveling for [REDACTED] (or any traveling for that matter) because my budget doesn't allow it. I still have passion for [REDACTED] and once I save enough, I'll resume my participation.

That is my life in a nutshell. I hope you and [REDACTED] are well and prosper :)

Thank you for reading,

[REDACTED]
