**To:** "jeffrey E." <[jeevacation@gmail.com](mailto:jeevacation@gmail.com)>

Jeffrey,

Attached is our detailed proposal to refurbish your G550. We have spent considerable time creating what we believe to be inclusive of almost all items that we have discussed over the last few months.

Kindly read through this specification in insure that we have covered all "know / defined" items requested.

Please note this proposal does not include:

- Metal plating of the cabin management system switches
- All shades controlled at CEO chair (This feature was originally programmed in the two (2) Pronto remotes when originally outfitted)
- i-Pad or similar arm in the R/H window line panel (TBD)
- New monitor to replace existing 20" monitor in fwd bulkhead
- HDMI wiring direct from Airshow for hi-definition signal
- Chinchilla / sheepskin slip covers for the two (2) divans

As always, please do not hesitate to call me with any questions you may have.

Thank you.

Best Regards,

Eric
