Richard - tread lightly my friend as you have been privy to many of the emails that have clearly defined the weekly challenges / changes that have impeded our ability to provide accurate definition.

Should the email traffic you have been directly exposed to not satisfy your through understanding, I am more than happy to have you visit my office at your earliest opportunity to go through each and every single point.

Best regards,

Eric

Eric after many emails and conversations you have not delivered the list for weeks. Each time saying next week. I hope this time it will happen so we can move forward. Thank you.
