Yes on restaurant

The entire issue is the delay in opening and having hiring chefs in JAN when we where all scheduled to open in march - Davids call on construction

That's where all but 75k has been spent vs restaurant budget

No different then the added costs to carry the hotel for these additional months

Agree on david dealing with money - but his objective is to get loans to pay himself back vs using the loan to open the hotel and keep vital services running

Agree but what I did not buy into his not being or doing anything he said he was going to do - or be the person he represented himself to be

But get the place open. Agree

FYI. The books are not about him taking money- it's about what exactly are the AP for the project to get completed -

Sorry for the bitch

Agree on just get it open - that has been the main focus

David keeps wanting to take loan money to repay himself leaving us short \$ to finish the project

That is really the hold up - not letting him take funds till the project is complete - it's a fight at every step
