Dear Jeffrey,

I think you need Rodin's, *The Kiss*. This is the large version at 6 feet tall. If you put this on a large base it would be even more monumental & fabulous indoors. This work is available.

At 15-20 feet high there are no Brancusis and we'd be looking at Modern sculptors like Henry Moore, Max Ernst, Barbara Hepworth. I can send you some images to see what you like but I see you more with a Rodin.

Lastly, below is the link to a private selling exhibition of monumental outdoor sculptures available now, not expensive and can fill an immediate requirement/space if needed.
