if the people would allow your country to recognize israel. ,could be interesting to discuss. If not maybe consider putting 1 billion into a fund to benefit the victims of terrorist acts. asking the other gcc memebers to match it. we are against terrorism we have always been , and today to illustrate it we are setting up a victim fund to be administered by the US UK AND united nations ? we call on the other members countries to match our funding , not with pledges but with cash. . :)/ / our first gift will be to pay for the elctric for gaza. . . ? we will support and intl committee to look into terrosim finance across all countries and produce a conclusive report by the end of year. ? SOMETHING positive. I understand the delay response from uncle. good luck
