hope monaco was fun. I sensed you were a bit uncomfortable. . maybe i misread it. but i assume you did not take seriously the Boris statements about me being a broker. (( NEVER ! ) i hate brokers of all types. ). Friends are important to me and the main and maybe the only reason behind trust . ( though you raised a good point re why it is needed ). I fear that you have witnessed so much back stabbing , power grabbing , ungratefult. that like Ehud that has witnessed killing so often that it becomes difficult to believe there is another world.

lets put together a core list of alices requirments for new york, doctor.s . . transport. . - uber . metro. real life new york dangers discussion. . the fun stuff she will learn on her own.
