Jeffrey:

Attached is "Radical Breakthroughs" - with budget on page 4 and further (though still preliminary) development of the 13 episodes on pages 5-11. Much work will be done in the Pre-Production phase in discerning the optimal ideas, flow, stories, participants for each episode - with the twin touchstones of insight and appeal.

Your ideas, recommendations, people throughout appreciated - especially people for the mathematics

episodes (Episodes 1 and 2 in particular).

I'm in Beijing; return to New York on July 19 through August 13 (other than July 25-26).

I look forward to working together.

Warm regards,

Robert
