Part of my responsibilty of trustee is negotiating divorces. you see when you have too much money, fighting with the family comes next. it is the norm. brothers at brothers. wives at husbands , they all follow virtually the same track. thats why i try to explain early to entrepreneurs , not to want too much money. most look at me like Im crazy. as if there were no such thing. . I hope your vacation is going well. If not this time , I will again be in europe in sept. hope to catch up.

thanks alot for your help. though like you , its not my battle.

the qataris have made the situation worse by only saying what they WONT do. ramping up gas production. all childish. that is the key. i can t tell you there is a solution but it seems in everyones interest that any possible one is explored with the adults. first, increased sanctions are not urgent. a few more days more or less. and once they are on. life becomes fragile
