Good Evening Richard we are actively working on it and will be submitting it with O&M options this week, hope to have it to you by end of business on Thursday.

Regards,

Mark.

Good Day Richard,

I am traveling back to Gainesville tomorrow morning. I have a few items to verify and have internal discussions on. You should expect to receive a complete report with findings middle to end of next week. Could you please provide a list of recipients that should be included.

Best,
