best price per dealer was 50,972 which does not include tropical (2-3k) and lift gate which anna thinks we can do in USVI which will be another 3-4k
they would not budge on their internet price but i am trying for 50,000 and should know this am car needs 2-3 days of prep and then off to tropical so by July 7th car should be landed in STT then we will need to register

anna says this car is to be used solely on STT for airport luggage and tropical runs and not to go on barge to preserve its life..

Richard,

Here is the pricing for the truck that you requested. One is for Ford Financing if it was going to be registered here, and the export price which doesn't have the rebates, but also doesn't include the taxes. Give me a call or email me and let me know what you would like to do.
