Good morning Jeffrey,

I hope this email finds you well. New job going well with focus on Endowments, HF's and family offices being very receptive. Just launched a SPAC and thought the warrant coverage and management team were strong. Vol remains low but believe that Middle east tensions will jar this over the coming months. SX5E looks attractive on a relative basis and a leveraged note with some limited downside protection looks interesting.

Love to catch-up and find out what your doing these days and your thoughts on the markets.

Best regards,

Bruce
