just spoke with hosain

he says it is unfortunate that you will go legal route and feel this way
i said that you left us in no other position by stripping company of IP and forming new company and that this was not something that happened overnight..

he said he tried to salvage company by hiring Sherwood Partners but it was not successful
i said where is communication if your last call with JEE was in Feb 2017 - not right...
i said it would be easier to settle with us than for us to be part of a lawsuit with all shareholders

he said that he would speak with his counsel and come back to me
i said we should try to work something out before this gets ugly and i am always available to talk..

Does 5pm pacific work? Someone leaked the info after we spoke and it's been a bit of a mess. Sucks as we just started to talking to folks today...
