Jeffrey,

While going through the various gyrations regarding the carpet, our mill that produced the carpet in your GIV was working exhaustively to see if they could produce a carpet to simulate the SAACO silk carpet.

They are producing two (2) samples:

1. 100% "super fine, 1 ply New Zealand Wool" (\$415 sq yd)
2. Silk & wool (the cut pile in silk, the loop in wool) (825 sq yd)
3. There will be an additional charge to air freight the carpet.

We will have photos of both carpets this Friday the 26th and physical receipt on Wednesday the 28th.

I have leveraged my relationship with the mill to the absolute maximum and if we find the actual sample acceptable, they expect to be able to produce the carpet in time for your August 1 delivery.

Best Regards,

Eric
