Jeffrey

I mentioned to Gary Roxburgh and Gary Anzalone your intent to sell GIV soon,.
G. Roxburgh never responded,.

Gary Anzalone sent this message:

Larry,

.with all due respect, it is just too difficult to do with multiple brokers and monitoring who said what to whom.

At the very least JE knows that with me, I have been very loyal to the flag, and he gets transparency. The Boeing was tough, but mostly because it was too unique for a down market. On the GIIB I got him more than he was willing to take from someone else...who else does that.

I sure feel like a deserve this one.
