Rusty informs there is a May 24th input date for paint in Savannah we can have,. In order to give Eric time to remove the interior,. I'd imagine Eric could have interior out by 23rd or 24th at the latest meet the input date in SAV.,

I have to commit today with signed contract in order to hold the 24th paint slot,,. Open dates are May 3rd, 17th and 24th input dates.,

Do you approve of 24th paint input date?

Thx

I anticipate JoJo leaving around 1:00 with the Hermes desk, 3 dark, deep blue carpet samples and our veneer with some finish on it to show you color and grain.

In anticipation of your approval, we have secured the live wood log for your project.

With an [input date to IJI of May 15<sup>th</sup> / 16<sup>th</sup>](#) as discussed, we would like to have a [paint slot input date of May 26<sup>th</sup>](#), leaving us time to perform our incoming inspection, interior removal and ballast installation, preparing the aircraft for flight to the paint shop.

My preference for paint is Jet Aviation (owned by Gulfstream and will be rebranded "Gulfstream" Q1 next year, but I am more than happy to work with any vendor you select.

Hope you are feeling better today.

Best Regards,

Eric
