I am racing to Calvin Klein's for a cocktail charity party for gays...ugh. Then having dinner with him and Donna Karen, Blaine Trump and her idiot Ken doll boyfriend and Paul Wilmot an amusing older gay fashion gay. What a gay night. Will write tonight.

I am renovating my apartment. What an absolute joy to re-invent your life. I am so enjoying this process. Place is going to be a show stopper. Getting Town and Country to write about the entire experience. Also got the decorator to give half discount on her desing fee if she is also in the story. Meeting the editor on Monday.

Theme...69 about to be 70 year old career woman wakes up in a pile books, clothes etc and decides to have an apartment lift instead of a face lift.

xoxo peg
