Hey Jeff. It's been awhile and I trust all is well. Looking forward to my 66th berfday in a couple of weeks! Crap

Jeff: my sister wendy Lives in boca with her husband of 25 yrs Sid Solomon (started Abilene oil co inConey Island). Sid is 91, happy, secure and well taken care of by wendy. He has an scumbag son Jeffrey Solomon who has sued Sid and wendy to get guardianship of Sid claiming that he is incapacitated and separate them. They have no relationship and have had major disputes over money for years. He is simply a trying to extract their savings (\$9MM) and leave wendy basically broke.

My question is do you know of a boca or PB attorney who wendy can engage? She is interviewing and has 2 in mind but can you recommend a fickin bulldog who works in family matters, estates and guardianship? I'm heading down to boca week after next to assist her. She's hanging tough but has never dealt with evil. She has the funds to fight and Sid and wendy are united. All claims are bogus and are just a rouse to get at their money. The son has sued other family members in the past over money and this is what he does. Can you refer or recommend an attorney from boca or PB? Lmk and thanks in advance.
