you might want to consider having kathy negotiate with cousin. his position was that there was never any real media insite into Benj , and bank, economist, FT etc. . . His perceived influence with the new govt , real or not. gives him more bluster. . I also think a positive to move ownership more to you and the girls. as it would be much more diffucult to argue against. . hope this week is positive. . will you be in paris first two weeks in july.?
