---

Jeffrey,

I apologize for not calling but I had the ROV specialist down and we really pushed everyday from dawn till dark to get all the deep areas of the routes completed. And as usual the wind and waves did not cooperate and it was a battle all week and I was after 9pm everyday.

I am flying today and will be out in Denver late afternoon. You can call me late today or we can catch up on Monday, I'll be out there through Tuesday I am see the doctor about my hip replacement.
