Hi Peter,  
Good to e-meet you again.  
Glad to here you are coming to Israel.  
Will be happy to host you for a dinner in a top Tel Aviv restaurant on one of your evenings in Israel, preferably June 12th.  
I'm involved in the Israeli Hi tech scene and sure we will find a lot of areas of common interest.  
Pl let me know if that works for you and if there is anything else where I can be of help to make your visit both fruitful and enjoyable.  
Best  
Ehud Barak
