Mike dug deeper and said YES the package is to come to YOU in NY (not go to Dubai). We hung up and Mike called me right back and said actually NO his instructions are to send to Dubai. Should I email sultans assistant Jim and ask him for help?

I would suppose so? Who ordered the 30 kits and I will ask them? I merely received the phone call from Mike at the airport stating "a package from Jeffrey to Al Maktoum" can be put on a plane today. Mike said he was to call [REDACTED] before sending. I didn't want to say yes to sending a pkg until I cleared this with you? Karyna? I was not aware of any package and don't want to send things out under your name without asking first! Please advise if I should call Mike/Igor back and tell then yes to putting in the direct flight to Dubai today.
