Good Morning Rich,

ROTH FP... opened 27.755 only 1440 shares on the tape. Not very liquid.

Doesn't look like we are set up to trade on the international desk, so we're going to need to wait till someone on the NY desk can take the order. I have emails and calls into the desk, and will be notified when someone is there.

Also looking for a natural seller to see if we could get access to some size.

Speak soon,
Andrew
