I am finishing up the deep route areas on ROV for the selected cable routes this week that is why I am out of pocket, we are going out super early and it takes all of us to man the boat, tender the lines and keep the boat on course so I have not had a spare moment. I am just in now. We will finish tomorrow hopefully by mid afternoon.

I apologize for not getting back to you. We are out doing the final ROV work for the cables in the deeper areas and are out from about 630 until 630.

We are preparing to finalize the EAR for the cables. we are presenting to DPNR and COE at their meeting on the 21st and then submitting the same day.

I will try to call you from out on the boat, but its windy right now.
