Good morning, Jeffrey!

How are you doing? I am working on assistants ads and hired a PA for me who helps me to put ads which will hopefully bring candidates you want. If we put <https://www.jeffreyepstein.org/> as the website of organisation which hires, is it fine? Many of our ads are simply not accepted because there is no website or official email address. Monster and other websites with big audience ask a lot to put an ad.. I also write personal messages to models from model agencies in NY and Paris about the job, hoping someone is interested. Maybe I open my HR agency, it is an interesting business!

Could you please help me with housing in [REDACTED] like last year? The place where my fellow [REDACTED] already lives now has an available room, I can sublease it from a french student [REDACTED]. Please let Bella know if its ok.. Many thanks in advance.. I do work on what you want me to do and there will be good result, like [REDACTED] hopefully!
