Jeffrey,

Attached is our revised proposal which reflects many of the additional items you have requested.

However, it does NOT include some of the items discussed (Vacant door sign on lav/cabin door, removing peep hole in door, reworking sidewall tables, etc...)

We will have to look at these items after the aircraft comes in and provide you with a change order for your review.

Additionally, I have changed the materials on the cabin chairs and divans to reflect leather and suede as well as adjusted the pricing downward to reflect the new material costs. I also changed the material cost on the carpet.

Thank you for this opportunity.

Best Regards,

Eric
