Jeffrey not at all. Please I don't want you to think this because it is not true. Actually I remember last week she told me you email her saying that you wanted to see her when you were in Paris and I said that I didn't know when you will be in Paris (also because I didn't know when you were coming exactly) and she said something like I hope he is going to appreciate I am doing babysitting. Anyways I am sorry you think this because I would never do something to put you in a difficult situation. I hope you know.xx marghe
