Dear Jeffrey,

Below is the article on this wonder lady Masha Drokova (ex leader of pro Putin's movement Nashi). She claims she raised 10 mln in the past year for her first VC fund. She would be delighted to receive your response. She also helps me sending candidates for PA job but her candidates are not pretty enough to present you :/

I posted 5 ads on american websites but they were all not approved because I do not have website and email adress of Enhanced education. Is there a company website and company email address of Enhanced education that I can use?

Or I use jeffreyepstein.com foundation website in order for my PA ads to be approved ? And then change name of the company which hires accordingly ?

Kind regards,
