We have scoured through numerous Rolls Royce seating that are very, very similar to the one photo you had sent.

The fact is that Rolls offers various "versions" with subtle changes in detail.

I want to make sure that our thoughts are aligned with your expectations / preferences.

We obviously understand the "overall" look you wish to achieve, it's just about a pull line, a stitch detail, etc.

It would help if you could send me a couple of additional photos or would you prefer we send you our interpretation of the seat?

Best Regards,

Eric
