Jeffrey,

I am finalizing the work scope / revised proposal to reflect our discussions.

The last we spoke you would like the R/H #3 and L/H #3 chairs removed.

Additionally, you want the aft cabin L/H chairs to be of a different design ("secretarial").

My question is do you want for us to upholster the #3 chairs and keep them in storage or do you simply want them removed?

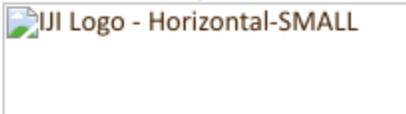

Last pitch: I still think you should fly the GIV or BBJ for only 6 weeks and complete the G550.

Best Regards,

Eric
