Got it,. I agree

If you remember 3 years ago,. When we viewed the plane in Burbank,, Andrew at AvJet would not entertain an offer under \$30M,. Then we hear Bob the Chinese and Andrew sold for \$26 or \$27m about 3 years ago with a back-to-back.

Now they are hoping for low 20's (wishful thinking,. You are correct at \$19m)

I told Bob when we first spoke,. In a declining BBJ market,. Any AirPlane is only worth what the next guys willing to pay,, the BBJ market reality is under \$20m for the 1998 - 2003 vintage. Just my thoughts

I'll send Bob your email.

Thx
Larry
