welcome back .

I spoke to Wechsler. , i explained to him why , joslin ada and tom need to be pragmatic , but i cant force them. . He said he agreed and understood. - you are scheduled to pay a total of 150m -180 m in taxes. for 16-18

That being said. he felt it necessary to remind me that i am expensive :)

in that regard- in order to move forward ,if you choose to do so. please detail for me what you would like me to do from here - if anything. - We should first agree a detailed understanding of your expectations and my , authority, goals. and a clear agreement . There are of course many options ie sharing benefits. , percentages. fixed amounts. hold backs. etc. re planning , TRA BRH fire drill, 2017 planing , hopefully ,not xxxx .

BTW I still dont know the entity that was audited that spurred the 2012 adjustment- do you? is another year coming.
