Hello Jeffrey

Now I have more time, [REDACTED] apartment is nearly finished

I will see the NOW's HOME possibilities

On which name is it billed ?

Lamps will need to be rewired

Your house manager will be able to dispatch the furniture with explanations and photos as I will not go

For NY ,Russell was supposed to do the proposition in the main staircase hall to remove the mouldings frames on the sides, to remove the canvas trying to save them as the bordures in the basement's storage, to install and glue a new canvas and repaint the higher part of the staircase and do a patina on all gilding

For the main bathroom, installing a new bath, with stone work and walls, the scaffolding and all prep for the new ceiling project

And the new steam room following our project

I will send you back the last deposit not received on a different mail

Thanks

jean
