Is it the pattern or the softness?

Both samples are machine made with wool and wool/sateen. I can work with the mill to make adjustments to the line width, height and density etc... I'll be happy to conference you in on my call with them if you would like.

If you want the softness of the Sacco carpet it will have to be handmade in all silk. Production time is past our scheduled completion date.

Good Morning Jeffrey,

Eric briefly mentioned you had some concerns about the carpet samples we sent, as he ran to catch a flight.

If you have a moment today I would like to discuss further with you so we can keep the ball rolling. I'm in the office till 5pm let me know what's best for you.

Thank you!

Best, Eileen
