Jeffrey, how are you? still in California or back in NY? Such a pity I didn't have a chance to see you once again before leaving New York!...

Jeffrey, do you remember when I was telling to you about my interest in music therapy studies? Today I was searching information about various courses, studies, online courses and found out these two Summer Programs in NYU this summer in July: <https://steinhardt.nyu.edu/music/nordoff/summer2017>

What do you think? They are pretty expensive, compared to the violin masterclasses I used to attend in Europe, but I believe it's worth it. Plus it's NYU and their music therapy study program is considered one of the best in US.

The application deadline is actually today but I could try contacting them and ask if they can accept my application a bit later so that I still had some time to think and decide.
