I will check to see what we may have in inventory that will coordinate. Not sure if we have a grey – it will likely be just a neutral color. I will also see what I can move around in our current schedule to make way.

I recognize that you may be frustrated selecting the fabric for the seats and divan and we are pulling some alternative luxurious fabrics that will feel soft to the touch but be better suited for seating upholstery.

Have you given more thought now that you have a better understanding of your schedule?
