If I had continued my school, in January 2018 I would have had my degree. Now I will be a babysitter forever...

Sorry for the outburst... I just would like a bit of moral support till the next train arrives. I'm a bit confused now on what you meant for "real work"... I thought it was a paid job but maybe I'm wrong I don't, I'm lost

I have told you what i thought for years. you disregarded most of what i said ,and did what you wanted. keep asking everyone for real work. . ten trains left the station. you were asked to get on each one of the ten. , you whined no i dont want to. now i dont know when the next train is coming, its that simple

I know it didn't just happen and I assume my responsibilities.. Does this mean that I should stay in this situation forever because of my previous mistakes ? I'm starting to understand how life works.. it's not easy, actually it's very scary and wild. I feel like I've been thrown in a jungle all of a sudden surrounded by lions. You've always told me that school is unuseful and internships ( even if in good companies, like I've always found ) as well since they are not paid so it was a waste of time. Now I'm working very hard as a babysitter from 8am to 8pm, a paid job ( the kind of job you've always told me to do) and assisting the photographer when I can in order to learn something interesting ( babysitting is not very interesting and it's taking most of my time and energy) but it's paid... How long should I work as a babysitter in order to be successful ? Do you think this is getting me on the right path ?

are finding things. at some time you will have to recognizie the role you played in getting  
here. it didnt just happen.

I've asked everyone I knew. The only real paying job I found is babysitter (which I'm  
doing), I've got no real qualifications and skills for companies to hire me. The reason I  
don't speak to my mother is because I defended you.

sorry to hear about grandmother. . all the rest is merely the result of your actions.  
not taking school seriously when you had the chance. . fighting with your mother. .  
prioritizing parties . instead of work and future. breaking every deal you had with  
me including lying about the school i had paid for . keep asking for work, you will  
find some.

Does wishing me well means not taking any news from me at all ? Here is a little  
brief of what happened to me in the last month and this period that you've "wished  
me well" : I saw my grandmother dying in front of me ( one of the most painful  
things I've ever experienced ), dealing with doctors, funerals, had to move tones of  
stuff alone from my house without knowing where to go and still now sleeping on a  
couch without a room on my own ( my mother rented my room for a year in Rome  
so I don't even have a real home where to go ) Working 12h per day as a babysitter in  
order to earn some money because it's the only paying job I found without a degree  
after asking everyone I knew. In addition trying to keep up with the photographer.. I  
promise I'm trying my best to be strong and stay positive but managing all this alone  
at 20 years old with no moral support and a broken heart is hard, specially after I've  
loved you so much with every part of myself and still do now... (I guess this is the  
reason you've pushed me away). Anyways I don't want to whine but just let you  
know that even in this hard situation I'm doing the best I can to grow and survive. I  
love you

sorry, do you think this is some type of threat to me. ! . I wish you well. at  
least for now. . so sending me multiple emails ( which i have just seen ) or  
messages. is not in your interest. You find yourself in the position that is a result  
of your own actions. - no more no less. I am confident that you will find a path  
on your own. i remind you that if i receive one more bad email , you will not  
speak to me for ONE YEAR. . Im sure you will find work
