husham, first let me aplogize that our last interaction ended with a typical us shorthand response. I was unaware that this might be considered either disresepcful or insulting. It is the way we are dealt with in the states and i should have been more aware of local custom and tradition. so please accept my apology. I have been told of the offer , that was also not completed . I assume that with your brokers letter , you have exempted us as we had prior dealings. With a quick boroscope and the original mathcing engines. We are ready to close quickly. As you know , separate from chinese or africans few bbg buyers are qualifired. hope to hear soon. I realize the price is somewhere between 15.5 - 17. if you can text me or call me confidentially I can get you a quick deposit and closing.
