Bonjour [REDACTED],

Hope you are well too.

I am out of my office during this week-end.

Ant way, my all time is spent on Jeffrey project actually.

I told him the project will be done at this time, but regarding the quality of the project I want to send , I need more time.

I am nearly at the end of it and hope it will be done at the end of next week.

I will send him an e-mail begining of the week.

Best regards.
