Dear Rich,

As discussed I re-confirmed indeed sales tax is applicable on the full lot purchase price (hammer price + buyer's premium) and not the difference between sale proceeds and purchase price. Apologies for previous miscommunication on this.

If you require assistance with bids today please feel free to call my office [REDACTED] and my assistant Sophie can execute an order this morning and let me know to ensure all goes smoothly.

I am on a train for the next hour but totally reachable by phone and email and I hope to be back in the office by 2 pm.

For your convenience, below please find payment details.

Best,  
Sharon
