Hey Jeffrey. You mentioned something about Statin's and Cholesterol the other day. Do you have high Cholesterol? My Cholesterol is getting a bit high so my doctor started me on a low dose of Statin - 10 mg/day. I think you mentioned that you thought Statin made you stupid and didn't work... is that true?

Also, just an aside. I've started getting Heart Arrhythmias - going to get a heart Calcium CT Score.

Sucks getting old. :-)
