After 2pm sounds good to me. Here are all the possible cable routes and my original cable alternative document.

Hi Rich and Amy...Can we get drawings to Jeffrey today? If so, might a call at 2pm be good for you?

Can we set up a call sometime today to see if we can finalize which route(s) we are going to permit for GSJ and what we need to do to final everything. We are going to be ready with everything for WAPA to submit in May.
