I'd like to sign up for HAPP on the G550,.

I have noticed intermittent #3 IRS box "Inertial Reference System" fail light coming on., I think a failure is eminent

List price for exchange IRS Laser V Micro \$64,394

I have 3 independent IRS system in the G550,. And the #3 unit that is failing is the triple backup unit.,

If I sign up after this unit fails,. I'll only receive a 20% discount for an exchange unit, and still pay full price for the HAPP program,

So i would like to sign up asap before I request a claim.

I shopped for the best price,.

HoneyWell direct price was \$51,600

List Price \$45,600

Corporate Rotable quoted me \$47,880

Standard Aero quoted \$38,760.00

Do you approve of Standard Aero HAPP annual \$38,760.00 ?

See attached contract.

Thx

Larry

Hello Larry and Happy Friday,

Attached is the requested HAPP quote for N415LM based on approx. 300 annual flight hours.

*Honeywell List \$45,600.00*

*Less SA Discount – Savings \$6,840.00*

*= Your cost \$38,760.00*

Please note: For HAPP, please confirm which DUs you have? If you have the obsolete DU1310, then I can re-quote with the Extended DU coverage.

We have priced out MPP for you as well. They are separate contracts, you can chose one or the other. Or both.

*Honeywell List \$33,600.00*

*Less SA Discount – Savings \$3,360.00*

*= Your cost \$30,240.00*

Let me know if you have any questions. Thank you letting StandardAero quote your contracts.

Jennifer
