Good morning Larry, here are the quotes that you requested for the G550 Exterior paint. There is a difference of 10k due to the metallic colour. I hope you find the prices to be competitive as I know Gulfstream is very expensive and would be extremely higher. We produce the same quality with much lower prices.

We are also a one stop shop and do Interior, Avionics and major Mod's, in the future if your require any of these services please consider us for future work. If you have any question please feel free to contact me

Thank you
