Jeffrey...I am so sorry not to have written sooner. I literally have been running for two weeks. In between all the jobs, I ran to Adam Lindemann's Warhol Montauk estate for Passover and to Palm Beach last weekend for Easter. I know, work is not a bad excuse not to write...

Anyway, I am going to England night of Friday, May 12 and go to Lord Jacob Rothchild's estate for lunch on Saturday! May 13th!!! So excited. Then to Ginge Manor for the weekend to visit William and Anabel Astor. Then to Claridge's for Sunday and Monday night.

I want to do a dinner, not a serious 70th birthday, but a dinner for about 30 in a club, for friends on Monday, May 15th.

I am going to throw that together in a day or two...Rena Sindi wanted to "host" and give..i might call her and a few other girlfriends...to just help me get a location...like Harry's Bar or something cooler..it's more like a spring dinner.. Pia Getty and a few socials will come in a second.

Then I go to Cannes Tuesday, May 16 for two weeks...

I am still thinking about Sept. Dinner for 180 at the Frick for the dinner. I have to get moving now as well. Will update. Need to nail down a date. Wish I could think of other venues...maybe Frick is fine.

Have a great lunch Thursday for Nat Geo series, "Genius" at The Rainbow Room for 80 media elite..based on Walter Isaccson's "Einstein". Ron Howard directed Geoffry Rush and Emma Watson. Walter interviews all the cast at the lunch. Want to come. Going to be smart. Can send linc to 10 part film series. You will love it. Where are you?

Tribeca Film Festival premiere is Thursday night. Have tickets for that too. xoxo peggy

Going to Capri for beginning of July..
