john , If you would like to keep your job, its time to start working. . 1. you will be clean shaven and unless your hands are dirty you will wear a white button down shirt and be clean shaven. . 2 yesterday you suggested abother middle manager. 3 you presented me software with no accurate dates or fully filled out. I had already viewd the template so it was a waste of time. 4 you didnt know the names of the employees. 5 where karen has intervewd 11 people for the maid job, you have not found anyone to interview for dannys role. instead trying to fit what i already said was a no hands on guy , and wanting to give him another chance, instead of presenting 3 or 4 new candiditate. . you didnt know the correct dates of part arrivals or in fact what was wrong with the only piece of machinery i asked about ie treadmeill. the lack of details is astonsihing to me. having to explain once again that the punchlist is the priority , you triedt to explain to me why you decided to ask chris to fix the tennis court . (you could have done it if your thought so importnat) . taking my car instead of a taxi , for a wholly personal trip is astonsihing to me but i will give you this week to show us your are capable .
