Jeffrey,

With all due respect. I was asked to come here to sort out the staffing, not to be an island manager. Anna is in charge of the outside crew and I've created a position that works for her.

No, I don't know what every person on the island is doing at all times. If I were to oversee every single person, I would not get anything else done.

I get it. You are not happy with my performance and I can accept that and will pack my bags. But, I never signed up to be an island manager. You asked me to come sort out the situation with Brice [REDACTED] and Anna and staffing in general.

I found a couple you like, split up Anna and [REDACTED] so they can co exist and gave them realistic areas of responsibility.

On top of that, I've been keeping an eye on both [REDACTED] and Anna's areas of responsibility and helped out where needed. Including spending all my day Saturday cleaning beaches and plucking weeds, rearranging stones for your arrival.

I've never once had a chance to sit down to define my role with you. I was asked to come to do one thing and then is expected to do something entirely different.

Sorry it did not work out.

I will coordinate my departure with Rich

Sincerely

John

rich, this is unfortunaley typical. . johns answer is totally fabricated. fiction. no basis in fact knowldge or accurate - it turns out chris accidently ripped out the electric when they planted the new trees. . jason said john never spoke to him about what he was doing only the fact that he would report to karen. not sure what a manager does who has not the first idea of what is actually happening.

New solar plant, new generator. So new runs are needed. Maybe the pool never had electric.

You are sadly told wrong. My last complete drive of GSJ was Friday. I don't understand this attempt from who you are talking to, to undermine my position?

Just finished a thorough LSJ drive and have punch list items for you to prioritize

Thanks
